

COMPLETED ENABLING ACTIVITIES TOWARDS THE IMPLEMENTATION OF THE KIGALI AMENDMENT TO THE MONTREAL PROTOCOL

The major achievements of the project entitled *“Implementing Enabling Activities for the Ratification of the Kigali Amendment”* in 2018 were as follows:

- a) A legislative review resulting in the development of a document to inform the preparation of drafting instructions for a Trade Order to regulate importation of HFCs.
- b) The Jamaica Customs Agency executed a breakout of customs codes for pure and blended HFCs.
- c) Public awareness products were produced and distributed to enhance knowledge of the Amendment.

UNDP has facilitated regional capacity building workshops Workshop to support the implementation of the project. These have been:

1. Enabling Activities for ratification of the Kigali Amendment to the Montreal Protocol, 8-12 May 2018, Panama.
2. Towards The Effective Implementation of the Kigali Amendment, 21-23 May 2019, New York, United States of America.
