Runway Extension and Associated Works Project

Sangster International Airport

Montego Bay, St. James

An application has been submitted to the National Environment and Planning Agency (**NEPA**) for permits to undertake works for the extension of the runway and associated works at the Sangster International Airport.

The public is invited to attend a presentation and discussion on the various aspects and components of the proposed project.

Date: Wednesday, June 26, 2019

Time: 5:30 p.m.

Location: University of the West Indies, Western Campus, 18 Queens Drive, Montego Bay, St. James.

A copy of the project document may be consulted at the following locations:

St. James Municipal Corporation, 19a Union Street, Montego Bay;
St. James Parish Library, St. James Street, Montego Bay;
NEPA's Regional Office located at the Rural Agricultural Development Complex, Catherine Hall, St. James
NEPA's Documentation Centre, 11 Caledonia Avenue, Kingston 5.
