- **Proof of Ownership**
 - Copy of title(s) or,
 - A probated will or,
 - Lease agreement along with a copy of the title and a consent letter

Informative

- *If the applicant is not the owner, a letter of authorization from the title holder(s) witnessed by a Justice of the Peace, giving the applicant permission to use the land for the proposed activity, must be submitted along with a copy of the title and a copy of an ID for both parties*
- *If the registered title is held jointly, all parties must be reflected as applicants **or** there should be a letter or authorization from the other title holder(s) giving the applicant permission to use the land for the proposed activity. The letter or authorization must be witnessed by a Justice of the Peace and be presented along with a copy of an ID for all parties*
- *Anyone applying for a Permit and Licence on behalf of someone else, must submit a letter authorizing them to apply for the Permit/Licence. The letter must also state the extent of their authority in relation to the application and in whose name the Permit/Licence should be issued. The letter must be signed by all the relevant parties who they represent, witnessed by a Justice of the Peace, and presented along with a copy of the Identification for all parties e.g. current Driver's Licence, National ID or Passport.*
- *All chemical storage tanks must be contained within an impervious bund with a minimum capacity of 110% of the volume of the tank or 100% of the largest tank plus 10% of the volume of all other tanks where multiple tanks are contained in a single bund*
- *Please provide copies of any other approvals obtained relevant to this project*

Please be advised that the Permit **MUST** be collected within **THREE (3) MONTHS** of the date of the approval by the Authority. Failure to do so will result in the approval being withdrawn and reapplication for the Environmental Permit being required.
