### **Strategic Objectives of the Division/Branch:**

To provide legal and enforcement services to the National Environment and Planning Agency, the Natural Resources Conservation Authority, the Town and Country Planning Authority and the Land Development Utilization Commission (NEPA/NRCA/TCPA/LDUC) in maintaining compliance with environmental, planning, land utilisation laws and regulations. It also provides administrative and secretarial support to the NRCA, TCPA, NEPA Advisory Board and their sub-committees. The Division is organised in three branches as shown below:

1. ***The Legal Services Branch:*** The Legal Services Branch provides legal services to the NEPA/ NRCA/TCPA/LDUC on the implementation of the integrative legislative framework for managing Jamaica's natural resources and the built environment. The key functions include: representing the Agency and/or Authorities in legal hearings, such as the prosecution of environmental crimes, restrictive covenant hearings and appeal hearings; preparing position papers and conducting gap analysis on the various laws and regulations administered by the Agency and Authorities as well as compliance with international and regional treaties and agreements
2. ***The Enforcement Branch:*** enforces and ensures compliance of the environmental and planning laws, regulations and standards administered by NEPA through the monitoring of decision taken by the Authorities with respect to Permits/Licence/Approvals and the conduct of investigations to detect breaches of environmental and planning laws. The Branch also responds to wildlife incidents and assists with the removal/retrieval of wildlife as well as assist in disaster assessments
3. ***The Boards Secretariat:*** provides professional administrative and secretarial services to the Natural Resources Conservation Authority – NRCA, the Town and Country Planning Authority – TCPA and the Land Development and Utilization Commission – LDUC and their subcommittees.

### **Job Purpose:**

The Manager, Legal Services is responsible for the day to day management of the Branch in providing legal advice and guidance for the effective application of legislations guiding the Agency's environmental and planning operations including the monitoring and enforcement programmes as well as on general legal matters within the its operations.

### **Key Outputs:**

- Branch's operational plan
